

Justin Crowley is a fifth generation dairy farmer operating Crovalley Holsteins. Crovalley Holsteins is a two-time Master Breeder herd that milks approximately 100 purebred animals. Justin has had a great amount of success in the show ring as he has been Grand showperson at the TD Canadian Dairy Classic Show in 2009 and had the Grand Champion calf in 2005. Additionally, Justin enjoys getting cattle ready for the show ring. In 2010, he was awarded with first place in the Ontario Summer Show Clipping Competition and in 2012 he traveled to the European Championship Show to clip. In the past few years, Justin has had the opportunity to judge 4-H shows, Breeders' Cups, and the Eastern Ontario Jersey Show. When Justin isn't working at home, he is a Quality Seeds Sales Representative. From receiving top reasons and placings at the Inter-County Judging Competition in 2010 and having the opportunity to travel to World Dairy Expo on the Judging team, Justin is very excited to further his judging career.
