

Andrew along with his wife, Amanda and two kids, Ava and Archer are the owners of Glen Islay. Glen Islay is a 300 acre farm and they milk 50 cows with robots. Additionally, their farm is a recipient of the Allstream program. Outside of farming, Andrew is a sales representative with EastGen. In the past, Andrew has had the opportunity to judge 4-H shows, Breeder Cups' and a Jersey County show. Andrew also is involved with Shorthorn beef cattle and enjoys golf and snowboarding.
