

Richard Osborne, along with his wife Teresa and children, Easton and Sienna, own and operate their farm under the Willow Creek Genetics prefix. Here, they milk approximately 100 Holsteins and Jerseys on a 200acre farm in Hagersville. Willow Creek always strives to exhibit at many shows and has had several All Canadian Nominations.

Richard has had the opportunity to officiate at multiple 4-H and Dairy Breed shows and Breeders Cups throughout Ontario as well as having the opportunity to place the Western Canadian Classic in Alberta.

Furthermore, Richard has had the opportunity to judge internationally in the Dominican Republic for their National Hersey and Brown Swiss Show. Richard has been a member of the Nominating Committee for Jersey Canada and has been an All Canadian and All Ontario Official Judge.

Outside of the farm, Richard worked as a professional cattle fitter for 15 years, travelling to many shows around the globe. He has also had a career in both the A.I. industry as well as the dairy nutrition industry.
